PROFESSIONAL EXPERIENCE

-  **Soldering Technician/Web Consultant**
SINC SQUARED 2015–Present
 - Prepare, solder and test high frequency breakout boards of various types. Ensure that orders are prepared and shipped in time to meet customer needs. This has played a part in us having many satisfied customers from well known companies such as: Google, Facebook, Tektronix etc...
 - Helped find a website building and hosting service that the company owner would be able to design and change themselves. Helped teach, as well as gave advice and feedback on how to make sincsquared.com a more modern, user friendly website.
-  **Teaching Assistant**
BRIGHAM YOUNG UNIVERSITY 2018
 - Reliably answer student questions, prepare and present exam reviews, and proofread and grade quizzes and exams.
